Elective or Minor	3	
Total hours	15	

Notes/Comments:

Fall 4	Credits	Success Marker
HSCI 455	3	
HSCI 350	3	
300/400 Elective or Minor	3	
Elective or Minor	3	
Pick 5: _____	3	
Total hours	15	

Notes/Comments:

Spring 4	Credits	Success Marker
HSCI 460	3	
300/400 Elective or Minor	3	
300/400 Elective or Minor	3	
Elective or Minor	3	
Elective or Minor	3	
Total hours	15	

Emphasis 2: General: This emphasis is designed for students intending a major in medical laboratory sciences or nursing to meet application PRQs in the first two years. Course offerings may also prepare students for entry into many other health related fields. Students should explore their academic and career goals regularly with their advisor and make course selections based upon those goals.

Pick 5:(in consultation with advisor): [AHLS 211](#)³, [AHRS 327](#), [AHRS 472](#),[AHRS 493](#), [CHEM 230/231](#)², [COMD 220](#), [NUTR 201](#)³, [PHHE 295](#), [PSYC 316](#), [HSCI 217](#), [AHRS 497](#), or other courses as approved by advisor.

Notes/Comments: This plan is an example of what a four year plan could look like for a typical student. Placement exam scores in math as well as the completion of coursework may change the plan. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester to discuss course scheduling. All requirements are subject to change by NIU.
